

**Fund Objective**

To provide daily cumulative returns for investors while preserving capital, the fund invests in short-term money market debt instruments issued by credible issuers.

These instruments include treasury bills, government bonds, corporate bonds, repurchase agreements, bank deposits and other money market funds.

**Fund Performance**

2020	2021	2022	2023	YTD Oct-24
10.92%	9.95%	10.47%	16.84%	22.44%

**Asset Allocation**

**Investment Strategy**

The fund manager will continue to deploy cash in longer tenors, increasing the duration of the fund to take advantage of higher rates, as well as diversifying investments by participating in corporate issues that offer significant premium over treasuries.
